

Special Instructions

Our project is not an application. We are delivering a Handoff document that maps the C-CDA template of the electronic Initial Case Report (eICR) to a collection of FHIR resources.

Here is a link for our handoff documents:

Profile: <https://simplifier.net/GATECHCS6440eICRImp>

Implementation Guide Online version:

<https://simplifier.net/ui/ig/GATECHCS6440eICRIImplementationGuideHL7toFHIRConversionProofofCon>

You must have an account on <http://simplifier.net> to view the online version of these files. Or you can see these same documents in our project files folder on GitHub.
